

*“A Personal Relationship with Quality Results.”*

Meridian Analytical Labs, LLC is a growing network of environmental laboratories dedicated to outstanding client service and industry-leading quality. Meridian brings you greater experience, services and testing capabilities to make your programs and projects flow better, stay on-budget, and make your job easier.

## Who We Are

- We have more than 30 years' experience in the environmental and analytical industries.
- We have modern lab facilities in Wichita and Mound Valley, Kansas.
- We are certified by the National Environmental Laboratory Accreditation Program (NELAP) through State of Kansas, plus we maintain certifications in Oklahoma and Arkansas.
- We have a diverse client base representing many industries and energy companies, located across the United States, plus Puerto Rico and the Virgin Islands.
- We are chemists, engineers, technicians and professionals dedicated to bringing you the highest value, outstanding client service, and quality results.
- We have served Wichita since 1974 and southeast Kansas since 1985.
- Our company prides itself in our commitment to our clients.
- Most of our business comes from satisfied clients and their referrals to colleagues.
